I. Introduction

A. Dean of the School of Social Work's Welcome

Welcome to Saint Louis University's School of Social Work! The School shares the University's mission to educate the whole person and provide leadership in the discovery, dissemination and integration of values, knowledge and skills needed to instill a passion for lifelong learning and transform our society in the Jesuit tradition. Our School pursues this goal by providing learning- teaching-service environments, both in the classroom and in the community, that nurture, strengthen, and sustain creative intellectual, emotional, social, spiritual, and technical abilities and interests. We encourage and support innovative scholarship and research. We actively engage in community service, linking the School and its resources to local, regional, national, and international communities to eliminate ignorance, poverty, injustice, and hunger, to improve community life, and to solve difficult problems. We are thrilled for you to join us, to walk with us, and to work together with us as we seek to advance both the School's and the University's shared mission, and to serve with and for our community and the people to which the School's disciplines – social work, applied behavior analysis, criminology and criminal justice – and the professions associated with these disciplines are dedicated

Noelle E. Fearn, PhD

Professor and Dean of the School of Social Work

B. BACCJ Program Director's Welcome

Welcome to the Bachelor of Arts in Criminology and Criminal Justice Program at Saint Louis University! Thank you for choosing our program as your partner in undergraduate education. A hallmark of the Jesuit approach to education is *cura personalis*—care for the whole person. It is our hope that in the BACCJ Program you will experience a well-rounded, personalized education and be prepared to engage in the work of criminal justice in a way that brings beneficial change to the community. Here in the SLU BACCJ program, you will learn about being a “person for others” while being empowered and supported to achieve your own professional goals.

Preparation through the BACCJ program will be rigorous and intellectually challenging. Our program offers the opportunity for BACCJ students to learn effective, evidence-based practices that provide social justice for all. This distinctive learning environment is rooted in intensive teaching, mentoring, and experiential learning as well as in rich peer-learning opportunities with your classmates, your colleagues, and the communities we all serve.

This BACCJ Handbook contains important and detailed information about our program and policies, so please take some time to read and review it. The BACCJ Handbook is updated frequently to reflect changes made in various University, College, and Program policies or processes; you will be notified if ***significant changes*** occur during the academic year. As always, please feel free to contact me with questions or concerns. I am here if you need me.

Dyan McGuire, JD, PhD

Associate Professor of Criminology & Criminal Justice Director, CCJ Programs.

IV. University Policies

All students in the School of Social Work are subject to the official policies and procedures of Saint Louis University. These policies govern academic integrity, student conduct, discrimination and harassment, non-academic grievances, and other essential areas of university life.

To avoid redundancy and ensure consistency with current university policies, this handbook provides reference to the university policies rather than repeating them in full. Students are responsible for reviewing and adhering to these policies throughout their academic program.

Please consult the SLU Student Handbook for current SLU policies. Further policies can be found in the SLU Academic Catalog and on the Community Standards page online.

In addition to the SLU Student Handbook, key university policies that students should be familiar can be found on the Office of the Provost's website or the Office of Equal Opportunity and Title IX:

- Academic Integrity Policy
- Non-Academic Grievances
- Student Conduct
- Bias-Related Incident Protocol
- Harassment Policy
- Title IX Sexual Harassment Policy

If you have questions about how university policies apply within your academic program, please contact your academic advisor or program director.

V. Academics

The following policies and procedures have been adopted by the Criminology and Criminal Justice (CCJ) Program in the School of Social Work (SSW) and are meant to reflect the rights and responsibilities of

students, faculty, and staff. While the information that follows is the best reflection of CCJ Program policies as they currently exist, the administration and faculty of the CCJ Program and the SSW reserve the right to modify any policy through the appropriate channels.

This flexibility is meant to maintain the student-focused mission of the CCJ Program and the SSW, and to provide the necessary means to maintain the integrity of our learning environment.

A. Reporting and Adjudicating Violations of Academic Integrity

Where there is clear indication of academic dishonesty (as defined in the University's Academic Integrity policy), members of the SSW community have an obligation to report the incident to the appropriate faculty member or administrator. An appropriate investigation in compliance with the University's existing Academic Integrity Policy will be conducted.

All matters of academic integrity are governed by the University's current Academic Integrity policy. The policy, in its entirety, along with all other University Academic Affairs policies may be found on the Provost's webpage and may be updated periodically. Students should familiarize themselves with all University policies but should be especially mindful of the academic integrity policy. All students are required to familiarize themselves with the content of the University's current policy and for comporting themselves in full compliance with the policy in all of their academic work. It is essential that students read the policy as they will be held accountable for it. Questions regarding the policy may be directed to the Program Director.

B. Academic Records

1. Confidentiality of Student Records

The CCJ faculty in the SSW believes that student records, both academic and personal, are confidential to the student and the institution. Because of the professional and legal responsibilities involved, record keeping is delegated only to responsible persons who realize the confidential nature of such records. All students shall have the right of privacy in regard to their records afforded to them by the Family Education Rights and Privacy Act of 1974. In keeping with these standards:

- 1) Official transcripts are kept only in the Office of the Registrar and only this office releases the transcript when so requested formally by the student. The academic record kept in the School of Social Work is never released outside of the University.
- 2) Medical records are preserved in the appropriate office in the Student Health and Counseling Center and are interpreted only by a member of the health care professions.
- 3) Counseling records (or summary statements) are not released without the explicit consent of the student.
- 4) Financial records exist in the Offices of Undergraduate Admission, and Student Financial Services. The School of Social Work keeps no official record of financial aid and considers such information as strictly confidential between the student and the University.

2. Use of Student Records

- 1) CCJ Program staff and faculty members with a legitimate educational interest have access to student records through the CCJ Program Director.
- 2) Requests for student information directed to the CCJ Program Director or the SSW will be answered by form letter giving only the facts of public knowledge, which are defined as facts of attendance, dates of attendance, and the date of graduation if a degree was conferred.
- 3) Students' names, dates of attendance, degrees, honors conferred and other information which appeared in a newspaper or other publication are considered public information and thus, may be confirmed upon request.
- 4) Faculty writing letters of recommendation at the student's request may refer to grades earned or other indicators of the student's performance and ability.

VI. BACCJ Program Policies and procedures

A. Class Attendance

Students are expected to attend all classes. Unauthorized absence is a serious matter and must be resolved to the satisfaction of the instructor before a final grade will be issued. Faculty may impose their own attendance policy for their classes and may fail students who fail to adhere to their policy so long as the policy is communicated to students in a timely manner via a syllabus or other means of written communication. Examinations are to be taken and assignments are to be submitted as scheduled. If faculty choose to accept late work, students must adhere to all provisions for make-up examinations and guidelines for the acceptance of late assignments established by the instructor of each course. *It is the student's responsibility to make arrangements for excused absences, make-up examinations, and submission of late assignments.*

B. End of Term Course Feedback

Students will have the opportunity to provide feedback about each CCJ course and instructor at the end of the semester using an online standard evaluation instrument. Each evaluation will cover the quality and relevance of course material and the quality of instruction. The intent is to seek information which will help to improve both the quality of the course and instructional competence. In completing these evaluations, students should be mindful of the extent to which the course objectives have been met.

C. Professional Competence

"Professional competence" refers to expected behaviors that are required of Saint Louis University School of Social Work students (including BACCJ students) who are developing as professionals. Students are expected to maintain positive and constructive interpersonal communications and relationships with faculty, students, staff, and the community. Students are expected to positively contribute to the academic learning environment within the classroom, school, and in the community. This includes respecting diversity and not participating in any form of discriminatory actions. Conducting oneself with integrity and resolving conflict in a respectful manner are also demonstrations of professional competence. In addition, a policy on

Professional Expectations may be included in course syllabi.

D. Professional Expectations

All students are expected to demonstrate professionalism and contribute to the learning environment. Expectations include, but are not limited to:

- 1) Arriving promptly to class and leaving at the scheduled ending time.
- 2) Preparing thoroughly for each session.
- 3) Participating fully in all classroom activities and discussions.
- 4) Treating others with respect and displaying respect for others' ideas and different styles while offering one's own points of view.
- 5) Turning off all extraneous electronic devices (e.g., cell phones and others) during class.

If a student does not demonstrate appropriate professionalism, then a faculty member, student, or staff person can request a professional review with the Associate Dean for Academic Affairs. The Associate Dean will then convene a small group of appropriate faculties to meet with the student. The outcome of the meeting may include any of the following: a discussion with documentation for the student's file only, professional probation with a contract, or a professional competence dismissal from the program. This review is intended to be strengths-oriented and educational in nature, with the goal of supporting the student's ongoing development and success within the program. The student may bring a person for support, but the support person may not speak for the student or ask questions during the meeting. Recording of the meeting will not be allowed. The Associate Dean will submit a report with recommendations to the Director of the BACCJ Program. The Program Director will then meet with the student to discuss the final decision and provide a written letter or contract. If the student desires to appeal the decision, then a written appeal must be presented to the Dean of SSW within 10 days of the notice of the outcome of the review meeting. The decision of the Dean of SSW is final.

E. Academic Expectations

Academic expectations include timely and successful completion of all assignments and tests in the courses as well as meeting all course requirements for the BACCJ degree. Successful completion is defined as maintaining the necessary grades and GPA for the BACCJ degree as well as adhering to the professional expectations and academic integrity norms detailed in other sections of this handbook.

F. Grading

The following grading scales apply to all CCJ Undergraduate Program students in the School of Social Work:

A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D	1.0
F	0.0

Grades will be determined as follows:

A (4.0)	93-100	Highest Achievement
A- (3.7)	90-92	Approaching high achievement.
B+ (3.3)	87-89	Slightly higher than above average achievement.
B (3.0)	83-86	Above average achievement.
B- (2.7)	80-82	Approaching above average achievement.
C+ (2.3)	77-79	Slightly higher than average achievement.
C (2.0)	73-76	Average achievement.
C- (1.7)	70-72	Below average achievement.
D (1.0)	60-69	Inferior, but passing achievement, and not acceptable for courses within the major.
F (0)	59 & below	Failure.

In addition, students are required to earn the following:

- A minimum grade of "C-" in all CCJ courses counting toward the CCJ major/minor.

Dean's List

Full-time, undergraduates in the CCJ Program who earn a GPA of 3.7 in a given semester will be named to the Dean's List. Each student will receive a letter of recognition from the SSW Dean.

G. Grievances

A "grievance" is defined as a formal inquiry or complaint requesting a review related to a school policy or procedure or a situation where the student feels that they were treated unfairly or unprofessionally by a faculty or staff member. Students are first encouraged to meet with and try to resolve any course related issues or conflicts with the specific faculty or staff member and any overall program policies with the

appropriate Program Director. Any appeals related to academic integrity must follow the procedures under the [University Academic Integrity Policy](#).

Any student enrolled in a School of Social Work (SSW) degree program (SW/ABA/CCJ/PhD) may submit a formal written grievance to the appropriate Program Director (PD). The PD will review the grievance and convene a meeting with the student within 10 business days. The student may bring a person for support, but the support person may not speak for the student or ask questions during the meeting. Recording of the meeting will not be allowed. Within an additional five business days, the PD will provide a written response to the student.

If the student wants to appeal the Program Director's decision, the student may submit a written appeal to the SSW Associate Dean for Academic Affairs (ADAA) within 5 business days from receipt of the PD's decision. The ADAA will review the written appeal and may convene a meeting with the student and other parties as needed within 10 business days. The ADAA will provide a written response to the student within 5 business days. If a satisfactory solution is not reached, the student may submit a written appeal to the Dean of the School of Social Work within 5 business days from receipt of the ADAA's decision. The matter will be reviewed by the Dean for adherence to process(es), and the student will be informed of the findings within 10 business days. The decision of the Dean of the SSW is final.

H. CCJ Program Probation & Dismissal

1. Good Standing

Students are considered to be in good academic standing if they are not on probation (either University probation or Program probation) and have not been dismissed or suspended from Saint Louis University. Students are advised to review University Probation and Dismissal policies because Programmatic policies supplement but do not replace University policy. In the event of conflict, University policy will govern in all cases.

2. Probation

Students will be automatically placed on programmatic probation if any of the following occurs:

- the Saint Louis University cumulative grade point average falls below 2.00
- the Saint Louis University semester grade point average is below a 1.00

Students on programmatic probation may not register for more than 12 credits in the Fall and Spring semesters, 9 credits in the Summer semester and 3 credits in the Winter term.

Students may not remain on programmatic probation for more than two consecutive semesters (including summer and winter, if enrolled). While the Program will endeavor to provide timely reminders, students are expected to be aware of their GPA and to recognize when their GPA has resulted in probationary status.

3. CCJ Program Dismissal

Students are subject to dismissal from the CCJ Program for academic or professional reasons under any of the following conditions:

- 1) Failure to attain a cumulative grade point average of at least 2.0 after two (2) consecutive full-time semesters on academic probation.
- 2) Being placed on academic probation for a third consecutive full-time semester.
- 3) Consistently exhibiting behavior considered unacceptable for the study of criminology and criminal justice or violating University policy regarding acceptable/unacceptable behaviors (see sections on academic integrity and professional expectations).

Dismissal from the CCJ Program will be conveyed in writing via email to the student from the BACCJ Program Director. Dismissal from the University is a separate process.

I. Appeals Process for CCJ Program Dismissal

Students who wish to appeal their dismissal from the CCJ Program may appeal the decision by submitting a written letter to the SSW's Associate Dean for Academic Affairs (ADAA). The ADAA will research the matter, make appropriate inquiries, review all related student/program documentation, and issue a written determination of the appropriateness of the dismissal decision under the above referenced criterion. The ADAA will notify the student via email of the decision within 5 calendar days. If a student wishes to appeal the decision of the ADAA, they may submit a written appeal, within 10 calendar days of receipt of the ADAA's decision, to the SSW Dean, whose review will be limited to ensuring that proper process was followed. The SSW Dean's determination is final.

J. Academic Advising and Faculty Mentoring

Upon entry to the CCJ Program, all students are assigned to both a CCJ faculty mentor and an academic advisor who will work with them during their pursuit of a CCJ degree at Saint Louis University. **It is the student's responsibility to schedule meetings with these resource people as needed.** Students are encouraged to be in regular contact with their faculty mentor and are required to meet with their academic advisor at least once a semester.

Academic advisors aid students with developmental transitions, plan and approve course registration, clarify the program/curriculum requirements, monitor academic progress and refer students to resources for academic and support services on campus. CCJ faculty mentors are active participants in the student's professional growth and exploration of career goals. Faculty mentors can recommend courses of study and experiences that may be advantageous for the student both pre and post-graduation.

K. General Elective Courses

In addition to the courses required for the CCJ major (see Appendix A), students may take general elective courses to fill the remaining credit hours needed for completion of the degree (a total of 120 credit hours are required for the baccalaureate degree). General elective courses can be fulfilled by any course that carries credit hours and is graded. This includes SLU courses offered by other Colleges and departments, transfer courses, study abroad courses, and ROTC courses. Note that other SLU Colleges/Schools may or may not accept ROTC courses toward degree completion. Students with double majors in other SLU Colleges/School should consult with advisors from each academic unit to ensure all requirements are met for degree conferral.

L. Registration

Prior to each pre-registration period, students must meet with their academic advisor to review their academic progress and program plan. Following this appointment, the academic advisor will release their holds on the students' account enabling the student to self-register online through Courses@SLU. Students who fail to register in accordance with their advisors' recommendations may jeopardize their graduation date and may need to complete additional course work.

M. Failure to Register

Students who fail to register for courses for two consecutive semesters are required to reapply to Saint Louis University through the Office of Undergraduate Admissions. Such students will be required to meet the application and curriculum requirements in place at the time of readmission.

N. Adding a Course

Students may add a course through Courses@SLU anytime during registration and through the first week of the semester. When adding a course after the first week of class, students must seek approval from the course instructor. Additional approvals may be necessary when adding courses after this deadline.

O. Dropping a Course (Course Withdrawals)

Students may drop a course (withdraw) only during the official period designated by the University. Students can withdraw online through Courses@SLU. If the student has a registration hold, they need to use the withdrawal form with a registration hold located on the common forms page through the registrar's office. If a course is dropped without following the proper procedure or not officially dropped/withdrawn from, students may be assigned a failing grade for the course.

P. Incomplete Courses

Students may request a temporary grade of "Incomplete (I)" in the case that – due to extraordinary circumstances – they are unable to complete all coursework before the final day of class. The request for a mark of "Incomplete" must be initiated by the student through completion and submission of the ***Petition for Course Extension*** form (available on the Office of the Registrar's webpage). Petitions for incompletes/course extensions may not be requested to avoid an unsatisfactory grade. University policy

stipulates that the student and instructor agree in writing to the conditions for clearing the “Incomplete” from the student’s transcripts. A mark of

“Incomplete” must be cleared within one year after the course was taken. University policy requires that any “Incomplete” converts to an “F” after one year.

Q. Permission to Take Courses at Other Colleges or Universities

Under special circumstances, students may be permitted to take courses at another college or University while attending Saint Louis University. Students who wish to take courses outside of the University should first go to the Office of the Registrar website and click on the “Transfer Course Articulation” link. They should then check the website to see if the course has been previously approved for articulation with the University or if they will need to submit a new petition to have the course reviewed. Students pursuing courses at other universities who wish to transfer credit hours to Saint Louis University must complete and submit a ***Petition for Undergraduate Off-Campus Summer Enrollment*** form, following the directions on the form. Students are strongly encouraged to work with their academic advisor through this process. Students who wish to study abroad will work with the Study Abroad Office to complete a similar process.

Classes for the CCJ major should be taken at SLU, barring very unusual circumstances. Classes taken at the lower division do not count for upper division CCJ course work. For example, taking a Criminal Law and Procedure course at a junior college will **not** satisfy our CCJ 4050 Criminal Law and Procedure Requirement.

A minimum grade of C (2.0) is required for any course to be accepted for transfer and the transferred course is not calculated into the Saint Louis University grade point average. No more than 64 credit hours from a community college can be applied toward the baccalaureate degree. There is no limit on the acceptable number of credit hours from an accredited 4-year institution, but to meet the University residency requirement, the last 30 credits of coursework must be completed at SLU to earn a SLU degree.

Students must request transcripts of the completed course(s) immediately after completion. An official transcript must be sent from the Registrar of the other College or University directly to the Office of the Registrar at Saint Louis University. Transcripts issued directly to the student can be submitted to the Office of the Registrar if they are in a University-sealed envelope. Failure to provide the transcript in a timely manner may prevent progression in the Criminology and Criminal Justice (CCJ) program or delay graduation. *Importantly, the Office of the Registrar will no longer post transfer credit if it does not have the completed petition form in the student’s academic file.*

R. Inter-University Program

Interested in taking a course that isn’t offered at SLU? Through the Inter-University program, you may be able to take courses at other St. Louis area institutions but have the course and the grade applied to your Saint Louis University transcript.

S. University Policies, Procedures, and Resources

Information regarding all University policies, procedures, and resources can be found in the Saint Louis University student handbook and on SLU's website (including important information on the University environment and academic, behavioral, and community expectations for all students). Copies of the University's student handbook are available online. Students are expected to be aware of and adhere to all University policies.

T. Graduation

1. Degree Conferral

Degree conferral occurs at the end of each term (each May, August, and December) in the semester a student completes all necessary requirements of their degree program. Additionally, there are mid-term degree conferral dates each fall and spring, as well as several summer term degree conferral dates. The degree is not awarded until the CCJ Program has verified that all degree requirements are satisfied, regardless of when the student "walks" in the Commencement Ceremonies. The CCJ Program and the Office of the Registrar require time for administrative processing after the date final grades are posted to review transcripts and confer degrees. If it is found that a student has not fulfilled the degree requirements (e.g., by dropping a needed course, failing to complete 120 credits, or earning a grade below the necessary threshold), the student will need to complete the requirement and reapply for graduation in a subsequent semester. Students are strongly encouraged to communicate with their academic advisors to identify issues early and resolve them well in advance of their graduation date.

2. Degree Application

Deadlines for applying for a degree on the next graduation date are noted in the semester calendar. It is the student's responsibility to apply in a timely fashion. Application is made according to the direction of the Office of the Registrar through the Banner Self-Service online application system. Students also complete a graduation survey as part of the application process. Graduation dates for the University are in December, May, and August.

In addition, students complete the Undergraduate Graduation Check Worksheet and turn the form into their academic advisor. This form is necessary to ensure that a student's degree is processed accurately, that they receive credit for secondary majors, minors, the University Honors Program, etc., and that they receive all email notifications and announcements from the University and the College regarding graduation ceremonies and rehearsals. This worksheet is distributed to students nearing the 120 total credit hours necessary for degree completion. If a student nearing graduation has not received a worksheet, they should contact their academic advisor.

A student graduating in December (or August) of a given year may choose to walk in the May ceremony either before or after the student's December graduation. If the student would like to walk in the May ceremony before his/her official graduation, a petition must be made to the CCJ Program Director in the preceding December. The CCJ Program Director will determine whether the student is likely to graduate by

December and will base permission to walk on an assessment of such.

U. Graduation Requirements

Graduation requirements are as follows:

- 1) Minimum of 120 credit hours
- 2) Cumulative GPA of at least 2.0
- 3) Minimum grade of "C-" in all Criminology and Criminal Justice courses counting toward the CCJ major and the total of 120 credit hours

A student with a baccalaureate degree from another institution may be awarded a second baccalaureate degree with honors if at least 48 credit hours are earned at Saint Louis University.

2. Graduation with University Honors Program Distinction

Students have the option to enrich their CCJ Program studies through participation in the University Honors Program. The Honors Program requires additional academic and experiential learning requirements, many of which complement a student's work within an academic major. Students who complete the requirements set forth by the University Honors Program will graduate with University Honors Program distinction.

VII. Communication

A. Canvas

Students are responsible for using Canvas as often as each class demands. Each student is responsible to ensure that the settings within Canvas are such that messages from instructors reach them in a timely

fashion. Students are responsible for all communications posted on or sent through Canvas.

B. Bulletin Boards

General student announcements are posted on the student bulletin boards throughout the School of Social Work in Tegeler Hall. This includes bulletin boards in the stairwells, near classrooms, and in administrative offices.

C. Cell Phones

Cell phones must be turned off or to vibrate during classes (per individual instructor policies), lectures, presentations, meetings and appointments. Anyone who accepts a call is expected to leave the room before beginning a conversation.

D. E-Mail

E-mail is the CCJ Program's primary means of communication with students. All students are automatically assigned a University e-mail address. **All University, School, and CCJ Program e-communication will be sent to your SLU email account only.** Students who already have a personal e-mail address may keep it, but students' SLU e-mail accounts must be forwarded to personal e-mail addresses. For information on forwarding SLU accounts, contact the ITS office at 314-977-4000. For efficiency purposes, students should include their Banner identification number in cases where its anticipated that the e-mail recipient will need to electronically access information to be of assistance.

VIII. Clubs/Organizations

A. Student Government Association (SGA)

Undergraduate students in our School are represented by three senators on the University's Student Government Association. Most communication regarding student life/governance will be the responsibility of these students. Elections are held every February and a college-wide vote is organized by SGA. Further information can be found by visiting <http://sga.slu.edu/contact-us>.

B. Criminology & Criminal Justice (CCJ) Clubs & Organizations

Membership in CCJ specific student organizations is open to both undergraduate and graduate students from any major. Meetings are held as scheduled with various types of activities. The mission of the program's club(s) is to provide socialization among students across campus, while also acting as a liaison to the Criminology and Criminal Justice programs. Gamma Beta is SLU's chapter of Alpha Phi Sigma, the National Criminal Justice Honor Society for students majoring in Criminology and Criminal Justice. This honor society recognizes academic excellence by undergraduate, graduate, and Juris Doctorate students. The goals of Alpha Phi Sigma are "to honor and promote academic excellence, community service, educational leadership, and unity." Students interested in these organizations may obtain further information by contacting the groups' current leadership or the CCJ faculty advisor, Professor Kenya Brumfield-Young, at

IX. Campus Life and Student Resources

A. Accommodations for Students with Disabilities

Students with a documented disability who wish to request academic accommodations must contact the Center for Accessibility and Disability Resources at 314-977-3484 to discuss accommodation requests and eligibility requirements. Confidentiality will be observed in all inquiries. Once approved, information about the student's eligibility for academic accommodations will be shared with course instructors via email from Disability Services and viewed within Banner via the instructor's course roster.

Students must notify instructors that they wish to access accommodations in each course. Students who do not have a documented disability but believe they may have one are encouraged to contact Disability Services.

1. Accessibility

Accessibility support for students is coordinated through the Center for Accessibility and Disability Resources (CADR). Reasonable academic accommodations may be requested for both course-related and non-course-related experiences (including assistantships, if applicable). Once it is determined that students are eligible for accommodations, an interactive process is used to determine how the accommodations might be best implemented.

B. Billiken Shuttle Service

Students, faculty, and staff can take advantage of the shuttle service that runs between the Frost Campus and Health Sciences Center locations on a regular schedule at no charge. The shuttle also makes stops at the Metro Link Station at Grand Avenue. Information can be obtained at <https://www.slu.edu/parking/on-campus-transportation/shuttle-services.php>

C. Bookstores

The Saint Louis University Billiken Shop is located in the Busch Student Center. It stocks required texts for all criminology and criminal justice courses and can order other books students may need.

D. Career Services

CCJ students are encouraged to contact Career Services with any questions about career development, career counseling, and career referral services. SLU's Career Services offers many services for students and alumni, including individual appointments to develop career plans, help with job seeking, review of resumes and cover letters, and Handshake, an online career database of job postings.

E. Computer Labs

Students have access to computers on the second floor of Tegeler Hall. Students also have access to the internet and a number of search databases.

F. Fitness & Recreation Facilities

The Simon Recreation Center on Laclede offers a full spectrum of facilities and equipment for swimming, exercises and court sports. Lounge and vending areas are available. Membership is free for students.

G. University Policy on Harassment

Saint Louis University has a harassment policy in place to prevent harassment because of sex, race, color, religion, national origin, ancestry, disability, age, sexual orientation, marital status, military status, veteran's status, pregnancy, or any other protected classification as it is detrimental to its mission and values. The policy and information about how to file a complaint if you believe you have been a victim of harassment can also be found here.

H. Libraries

Books and materials from the libraries are obtained by showing a valid SLU ID Card. The major University collection is in the Pius XII Memorial Library. The University libraries participate in inter-library loan programs in the region and in the Center for Research Libraries that provides three million volumes for loan through participating institutions. Information on these services can be obtained from any librarian. Students can also access the St. Louis Public Library, as well as several private collegiate libraries in the community. CCJ library and reference services are provided to students by Research Librarians. Assistance may include: literature searches, research projects, and identifying resources. Please visit Pius XII Memorial Library for more information or assistance.

I. SLU Central Login Service

Students should check the SLU Central Login Service (auth.slu.edu) to verify their most up-to-date personal SLU student information, scholarship/financial aid awards, registration status, grades, and Bursar student account record.

J. Public Safety

SLU's uniformed public safety officers provide a free escort service to students' cars upon request. The phone number for the Department of Public Safety (DPS) is 314-977-3000. Most of the campus parking lots have well-marked outdoor telephones with direct lines to DPS. The DPS Escort Service, available to all SLU students, faculty, staff, and visitors is available from the Metro Link Station at Grand Ave. The "SLU Escort Telephone" is located on the east wall of the lower-level platform. Saint Louis University is dedicated to creating a campus environment that is as safe and secure as reasonably possible. There are also five live webcams that can be viewed on the SLU website. A campus security report, as required by the Jeanne Clery Act, is published every year.

This report details policies and procedures of Saint Louis University to deter, report and respond to campus-

related emergencies and crime, summarizes crime statistics and highlights programs to educate the University community about safety and security.

K. SLU ID Cards

Saint Louis University policy requires all students to have photo identification at all times. SLU Cards can be obtained at Parking and Card Services in Wool Center, Suite 130. Students' university photo IDs can be adapted for regular wear by using a plastic holder. Public Safety officials will challenge any individual on SLU property who do not display an acceptable form of identification. (SLU ID Cards are necessary to gain access to the Salus Center at all times.)

L. Student Lounge

A student lounge is located on the first floor of Tegeler Hall (across from Carlo Auditorium). It provides a relaxed, comfortable atmosphere and a quiet place for students to take a breather between classes, have a snack, or hold small student/group meetings. Equipped with lounge chairs, dining tables and chairs, sofas, vending machines, microwave oven, and refrigerator, the lounge is available anytime during regular building hours.

M. Student Success Center

In recognition that people learn in a variety of ways and that learning is influenced by multiple factors (e.g., prior experience, study skills, learning disability), resources to support student success are available on campus. The Student Success Center assists students with academic and career related services, including: academic coaching, career services, disability services, tutoring services, and writing services. The Student Success Center is located in the Busch Student Center (Suite 331).
